About

I am a Computer Science student with a strong interest in Data Science. I enjoy working with data to uncover insights and solve real-world problems using statistical analysis, machine learning, and programming. I am passionate about continuous learning and applying technology to create impactful solutions.

Education

Bachelors in Computer Science (2023 - 2027)
University of Agriculture (Okara Campus)
CGPA : 3.88

Skills

Languages:	Python, C++, HTML , CSS , JAVASCRIPT , REACT , NEXTJS
Statistics:	Descriptive & Inferential Statistics
Linear Algebra	
Version Control:	Github
Development Environment:	Jupyter Notebook, VS Code

Projects

Academic Coursework – Computer Science Department

- Completed coursework in Data Structures, Python Programming, and Statistics.
- Applied programming skills in lab assignments involving real-world data sets.
- Collaborated on small group coding challenges and algorithm design.
